## Clifford Melim Runs 80 Yards For Only Score of Hard Game

Town Team Defeats Marines at Moiliili Field on Saturday Afternoon By a Score of 7 to 0—Noble Kauhane and C. Melim Startle Fans With Pretty Runs Through a Broken Field—Visitors Rely on Line Plunges for Yardage in Football Tilt

Clifford Melim, one of Hawaii's real speed burners, accomplished something that is seen but seldom on a football field. Receiving the ball from the kickoff, the elusive back dodged one tackler and ran through a broken field for 80 yards, scoring a touchdown and giving Harry Melim's Town Team a victory over the Marines on Saturday at Moiliili field.

The lone touchdown with the goal kick by Kauhane was the only scoring which occurred in this game, which was witnessed by a host of football fans. From a spectacular standpoint it was a beautiful game to watch, and Kauhane's runs off tackle and the two long runs of Clifford Melim were worth while. The local boys relied entirely on end running and forward passes, which was enough to give them a victory over the line plunging visitors.

The Marines also had an opportunity to score in the third quarter, but they fumbled the ball and a touchback was the result. The visitors changed their tactics late in the game and worked a number of clever forward passes.

**Kauhane Runs 45 Yards**  
Noble Kauhane played a beautiful game throughout. Early in the game he tore off a run of 45 yards, and in plays off tackle he seldom failed to gain. Melim was especially effective in skirting the ends, and his dodging runs furnished a number of thrills to the spectators.

Brown was the bright and shining star for the Marines and proved that the good things that he had been said about him were not altogether fairy tales. He ran well with the ball and picked his holes, often gaining through the line for ten yards. Ward and Anderson were two other players who came into the calcium during the game. Ward, Rinehart, Rodgers and Burgess also looked like real players.

**Melim Makes Long Run**  
The Marines worked the ball down to the shadow of the Town Team's goal in the fourth quarter; the local

line held, and then Clifford Melim brought the crowd to attention when he circled left and for 80 yards. Here Rodriguez attempted a drop kick, but it failed. A penalty for wrong substitution gave the Marines a chance. After trying two forward passes and a drop kick Melim took the ball for another long run of nearly 70 yards.

The Town Team was strengthened by the addition of several players. Clifford Melim, Mahikoa and Noble Kauhane surely have added strength to the team and the backfield of this team stands today as the fastest in the islands. The line men have proved in their work and the team which played yesterday could have given the 1st Infantry a real battle. Efforts are being made to stage a game between the Town Team and Y. M. C. A. The Whitcomb aggregation would have a slight advantage in the line, but the Townies look to have the best balanced backfield for running ends. And the word interference is marked down in their book. In speed and interference the Townies will not have to take their hats off to any aggregation in the islands.

**Marines' Townies**  
Bill Thompson, L.E., Ward O'Sullivan, L.T., Cherryholmes, "Fat" Melim, L.G., Burgess Soares, L.H., Anderson Machado, R.G., Hailu Thompson, R.T., McGully Rodriguez, R.E., Poling Mahikoa, Q., Rodgers C. Melim, R.H.B., Brown Kauhane, L.H.B., Henderson Leal, F.B., Rinehart

**Substitutions—Town Team:** H. Melim for Mahikoa; Marines: Harris for Ward; Rainer for Burgess; Devorak for Poling; Hinks for Rinehart. **Scoring:** Touchdown, C. Melim. **Goal Kick—Kauhane.**

Glenn E. Jackson, referee; Sergeant Zimmerman, umpire; J. R. Wilson and W. J. McAllister, timers; O. Warner, head linesman. **Duration of quarters,** eleven minutes, with two minutes rest. Fifteen between halves.

## Another Team Enters Relay Race at Hilo

Japanese Team Makes Good Showing After Two Weeks; Seven Runners Named

Another team has been lined up for the Kilauea to Hilo race. Announcement was made this morning by Geo. Murakami that he had a team lined up which had been practicing for two weeks on the hills around the city. Yesterday afternoon the runners took a four-mile jump up Nuanu and around Lihua heights.

Murakami has a number of runners who recently participated in the race around the island, and these long distance men have shown real speed in the tryouts. Among the stars on the team are Yenuka, Sakl, Suzuki and Shirai. Kano Matsumoto and Zeni mura are three other runners who promise to make a good showing in the big race at Hilo on Jan. 7.

\*\*\*\*\*  
FROM THE SIDE LINES.  
\*\*\*\*\*

Davis was not given much work during the first quarter in the game at Schofield. The little half back more than made up for it in the latter part of the game, and his good right toe gave the Y. M. C. A. team the victory.

Schumacher, the husky center of the 1st Infantry team, was the bright star in the line for the infantry. Time and again he spilled the play coming through his territory, and his work on Saturday marks him as the foremost man in his position in the islands.

Dick Whitcomb played another beautiful game at tackle for the Y. M. C. A. Fagin got through him a couple of times on cross backs, but often Whitcomb stopped the runner dead in his tracks, or threw him for a loss.

The Infantry made most of their gains through the left side of the line. Von Holt did not play his usually good game at all, and McCombs was off the play for the first three quarters. He did improve in the last quarter and the same may be said for von Holt.

Referee Blowers had to call a close one when Davis booted the ball for three points. He could have called it either way and there would not have been a kick from either side. The majority of players on both teams admitted it was close, and when Blowers made his decision the Infantry players let it go at that. It was a beautiful kick, and it would have been unfortunate had Davis been robbed of the score.

The Infantry lost an excellent chance to score when Don Ladd threw a beautiful forward pass to Mutch. The Infantry right end had it in his hands with a clear field before him, but brought a number of groans from the rooters when he dropped the pigskin. It was the best chance the home team had to score, although had Fagin sent his place kick over the goal, the game would have been on ice for the Infantry.

Mutch played a beautiful game throughout, and his one slip in dropping the forward pass was his only bad play of the day. For all around play he was far and away the best end on the field.

Don Ladd has injected a lot of pep into the 1st Infantry team. He ran his team well, and on several occasions brought the ball up the field for good gains. Ladd was especially good in picking holes in the Y. M. C. A. defense.

In the game with the Melim team, Boghan was the bright and shining star, but Saturday the backfield honors must go to Fagin. Fagin had a peculiar shifty motion which brought a number of gains for his team. Boghan was injured early in the game, which put him out of it, but before his injury he ripped the Y. M. C. A. line for big gains.

Davis, Lewis, Clifford Melim and Noble Kauhane would make a real back field if one asked for speed. All of these men can run the century under 10 3/5. Shooting this quarter around ends would certainly worry the opposing flank men. Boghan, Steger, Smith and McVey would make a strong combination for hammering the line.

A number of the local football players were disappointed because the Marines of Mare Island, the champion team of the Pacific Coast, did not come here. This team will meet the Allentown, Pennsylvania, football squad at Pasadena on New Year's Day. This is the team which beat California University twice by more than 20 points, and defeated Oregon 23 to 0. The Marines have not lost a game this year, and furthermore are not liable to.

McCurdy, the big blonde of the 1st Infantry, is an all-around player. He has been used in the back field and on Saturday was sent into the line when Leach was injured.

The game between the 32nd Infantry and Y. M. C. A. promises to be a real attraction. Both teams defeated the 1st Infantry by a narrow margin, and there is certain to be a real crowd on

## BEACH "ADONIS" IS PATRIOTIC

Waikiki Beach is coming into the limelight once more. Kim Wai, who is sometimes referred to as the "Beach Adonis," has carried the Stars and Stripes into the sea on many occasions. The bathing suit, which is shown in the above picture, has created a lot of comment along the beach, and it is rumored that other mermen are carrying out the custom, which was inaugurated by the second fastest Chinese swimmer in the world.

## M'KINLEY FROSH WIN BASKETBALL TITLE FOR 1917

For the first time in history the Freshies or "little greenies" won the honors of being basketball champions of the McKinley High.

The interclass series was played last Tuesday, Wednesday and Thursday. On Tuesday the Freshies defeated the Seniors by the score of 25 to 8. James Davis, Jr., who was elected captain of the team by his classmates, had his team so well oiled that all parts were running smoothly. Davis is an experienced man, having played on teams in Hilo and his coaching of the Freshies' teamwork was favored by his team mates.

The game was very fast; one of the best seen at the "Y." The "little greenies" just went in and played rings around the seniors. The lineup for the day was "Kid" Davis at center, Bob Chung and Kenneth guards and Chocolate and Chicken forwards.

The second game between the Sophomores and Juniors, the Juniors won by a close margin by the score of 21 to 20.

The third game, the championship game between the Freshies and Juniors was won by the "little greenies" by the score of 45 to 16. After the series was over "Kid" Davis stated that all the credit should be given to his team mates' fast teamwork and not to himself.

## Pappas Can Weigh A Ton Says Martin In Real Challenge

Sporting Editor, Star-Bulletin.  
Sir: On behalf of Johnny Martin of the Machine Gun Co., I accept the challenge of Jimmy Pappas, of the 4th Cavalry. As for making the weight 125 lbs. I wish to say that Pappas can weigh a ton if he wants to. Martin being certain of fighting at the featherweight limit, which is 122 lbs.

As for Martin choosing bigger men than himself to box with, I wish to point out that this was due to the fact that men of his own weight are so few that he has been compelled to go out of his class for suitable opponents. The fact that he suffered but one defeat since he started 3 years ago, doesn't speak well for the alleged big men at Schofield.

Yours truly,  
O. WETSEL,  
M. G. Co., 2nd Inf.

## A SERIAL UMPIRE IS SECOND STORY OPERATOR, EH!

Riversides Win From Hillside in Final Battle for Championship at Pauoa Park

They are calling Rudolph J. Smythe a serial umpire now, since he tried his hand at umpiring at the Pauoa ball park yesterday afternoon. A serial is sometimes referred to as a second story, and Smythe was without a shadow of doubt the best second story man on the lot. It was due to his work and the great pitching of Joe Tevo, the music ball artist, which gave the Riversides the game.

The Riverside team was given the same by the score of 12 to 9, but inasmuch as Smythe is related to one of the members of the Riversides, the majority of the opposing players are in favor of entering a protest. S. P. Correa was in his element and called them safe and out on the hassocks.

The Grasshoppers have issued a challenge to the Riversides, but it is certain that there will be a protest against the officials. Smythe is as a rule a fair umpire, but his work yesterday was rather off color. There were a number of representatives present from the Makapuu Fishing Club and considerable money changed hands, more than \$3.75 being placed on the Riversides.

The lineup follows:  
Hillside—A. Avilla, L.E.; L. Ornelas, s.s.; D. Colburn, r.g.; M. Ornelas, r.h.b.; Joe Ornelas, r.t.; S. Shellen, f.b.; D. Sousa, 3b.; B. Hussey, g.b.; Judd, r.c.; P. Periera, L.h.b.; J. Allen, 2b.

Riverside—C. Correa, right wing; M. Joseph, forward; M. Faria, r.t.; A. Ornelas, r.h.b.; M. Prietas, s.s.; J. Vierra, center three quarters; J. Rego, p.; J. Miental, s.o.s.; D. Kem, No. 4; Vo, Bettincourt, L.h.b.

**GERMAN EXPERT SAYS DIVER WAR FAILS**

COPENHAGEN, Denmark.—Capt. Persius, naval expert of the Berliner Tageblatt, notes a growing impatience among Germans with the results of the submarine campaign registered in a swelling flood of letters demanding an answer to the question: "When shall we have England beaten?" He throws cold water on the optimists, and warns them against accepting as reliable figures on destroyed tonnage.

Capt. Persius says that with the 1917 harvest and the imports of grain the food problem can scarcely become a motive, for the next six months at least, to make Great Britain inclined to conclude peace. He holds that the submarine question for the British will be not "Can we continue the war?" but "Will it pay?"

Dover corporation has decided to ask the admiralty to name one of the new warships after the town in view of its historic connection with the navy.

## Y.M.C.A. Team Wins Close One From 1st Infantry at Schofield

Bill Davis Boots Ball Over Goal Post for Three Points, Which Gives Locals a Victory—Infantrymen Score Safety in First Quarter, Netting Them Two Points—Large Crowd Attends—Davis, Whitcomb, Schumacher, Ladd and Fagin Are Stars

(Special Star-Bulletin Correspondence)  
SCHOFIELD BARRACKS, Dec. 15.

The most intensely fought gridiron battle ever witnessed at this post was waged between the Y. M. C. A. and 1st Infantry this afternoon at Castner, the squad from Honolulu being returned the victor by the close count of three to two.

Both teams had a well high perfect system of defense, such gains as were made usually being accomplished by terrific line drives and an occasional skirting of the end. Only in one of two cases were forward passes successful.

Davis, the brilliant player of the Y. M. C. A., was easily the star. It was this player who booted the pigskin over the crossbar for three points and victory. Davis was also largely instrumental in working the ball to within a kicking distance of goal.

The Infantrymen scored their two points on a safety. They punted on fourth down and the pigskin soared close to the goal posts. The ball was recovered and brought almost to the 26 yard line, when a penalty was inflicted on the "Y" of fifteen yards, which set them back to almost their goal. Signal for punt was given. Davis fell back some three yards back of his goal posts and gave the ball a mighty kick, but instead of pursuing unobstructed course through vacuum, crashed against the cross bar and rebounded. Victor, right guard of the 1st, being the first runner to corral the oval. After discussion by the field officials it was decided to allow the Infantrymen a safety. Boghan and Fagin were the groundgainers for the Infantry, though they were ably assisted

ed by Crooks, Ladd, Shoemaker and Victor in their efforts.

The lineup follows:

**PATRIOT ASKS \$20,000 FOR DAMAGES AFTER WINNING FIGHT**

DENVER, Colo.—The plaintiff is an American citizen, proud of his citizenship and opposed to the German empire, and especially to its Kaiser.

That is the assertion of James E. Sweet, who, through his attorney, Paul Delaney, has started suit in the district court against Arthur Kirchner for \$20,000 damages to his reputation. The suit grows out of a dispute that resulted in the arrest of Sweet last July. Sweet says he demonstrated when Kirchner belittled President Wilson and all things American. A fight followed, in which Kirchner got the worst of the "go," despite the fact that Sweet is an aged man and uses a crutch and cane to get about.
